

Believe in Your Heart

Believe in your heart that something wonderful is about to happen.

Love your life.

Believe in your powers and your own potential, and in your own innate goodness.

Wake every morning with the awe of just being alive.

Discover each day the magnificent awesome beauty in the world.

Explore and embrace life in yourself and in everyone you see each day.

Reach within to find your own specialness.

Amaze yourself and those around you to the potential of each new day.

Don't be afraid to admit you are less than perfect;

This is the essence of your humanity.

Let those who love you help you.

Trust enough to be able to take.

Look with hope to the new horizon of today, for today is all we truly have.

Live this day well.

Let a little sun out as well as in.

Create your own rainbows.

Be open to all your possibilities;

All possibilities and Miracles.

Always believe in Miracles....
